Notes

- An invoice may be submitted digitally or on paper upon request to facilitate administrative issues, such as ordering the wire transfer, requesting a scholarship or funding, etc.
- Some additional fees may apply to the wire wire transfer. Please, make sure the amount deposited at the University's account is the exact amount on the invoice.
- Please, inform the University once the wire transfer has been carried out so that our Accounting Office can confirm the transaction.
- It takes around 2-3 business days for the money to be received.
- An official receipt will be issued upon confirmation of the transaction.
